Window Nation, a national home remodeling company, opened a showroom recently at 15905 Brookway Drive in Huntersville.

The showroom features full-size displays of name-brand vinyl, fiberglass and wood windows and offers thousands of options for replacement windows. In-home demonstrations are also available.

With headquarters in Baltimore, Window Nation was founded by brothers Harley and Aaron Magden, after they worked for years in their father's window business. The company operates in the Carolinas, Maryland, Ohio, Virginia and Washington, D.C., and is a member of the Charlotte Better Business Bureau.
