

## Window Nation Celebrates Fifteen Years in Business

**FULTON, MD – (August 10, 2021)** – Window Nation, the fifth-largest home improvement company in the U.S., is pleased to announce it was named to two industry-leading lists, Inc. Magazine’s 5000, and Qualified Remodeler’s Top 500 Home Improvement Companies. The awards cap off a banner year for Window Nation, who experienced record growth caused by the home improvement boom during the COVID-19 pandemic.

The Inc. 5000 list honors the fastest-growing private companies in the country according to the previous year’s revenue growth. This marks the fifth year Window Nation was included on the list, making its first appearance in 2014. The company was also named the twelfth largest home improvement company in the country by *Qualified Remodeler*. The trade publication honors the largest home improvement companies in the country based on their gross sales, remodeling gross sales, and the number of jobs completed annually.

The announcements come at a time of celebration for Window Nation, who celebrates its fifteenth anniversary in August 2021. Since 2006, the team has brought decades of home improvement experience to communities across the country. The team opened its first showroom in Maryland in August 2006, quickly expanding to serve twenty markets across the country. They recently expanded westward, opening showrooms in Chicago, St. Louis, and Kansas City.

“My brother and I started this company out of my one-bedroom apartment,” said Harley Magden, CEO, and co-owner. “Fifteen years later, to have fifteen showrooms and over 500 employees are incredible. To say we are proud of our team – and each other – would be an understatement. Much of the credit is owed to our dedicated staff and loyal customers. We are humbled by their perseverance and determination throughout the past two years, and we are thrilled to celebrate our accomplishments with them.”

Window Nation currently services fifteen markets throughout the United States, most recently opening showrooms in Chicago, Cincinnati, Hartford, and Dayton. To find a showroom near you, visit [WindowNation.com](http://WindowNation.com).
